

A TRIPADVISOR AWARD FOR THE PARCO GIARDINO SIGURTÀ

Another milestone has been reached by the Sigurtà Garden Park. This green treasury has now won the *Travelers' Choice Best of the Best* award from **Tripadvisor**, given to places that are considered to be **among the best in Italy**.

The winners of the Travelers' Choice Best of the Best are selected each year on the basis of the reviews of millions of Tripadvisor users. Not only the popular choices are rewarded, but also those truly exceptional destinations that encourage travellers to keep going back to places they have already visited.

The Travelers' Choice Best of the Best is the travel industry's only award based on millions of traveller reviews from around the world and reflects "**the best of the best**" for **service, quality and customer satisfaction**.
